

SEPTEMBER 2022

CHILDREN'S DAY 2022

¡Muchas Gracias!

Children's Day was more than we could've ever imagined. We saw God move in crazy ways. A few weeks ago we were nervous we would have to postpone children's celebration due to road blockages caused by rain. Thankfully, we were able to travel to San Pedro and buy everything we needed for each of the gifts. We managed to put together each gift, snacks, and activities in a week with the help of our wonderful volunteers who are all part of our women's ministry.

Buying all the gifts with Andrea's help

Riding on the back of a truck on our way to La Cuesta

We were able to bless over 60 kids!

Oh, how we wish you could have seen all the kids' faces as they were opening each gift!

We met at the school which only has two classrooms; one for kindergarten and one for 1st-6th grade. Everyone was super nervous and quiet when we first arrived. Some children came in late because they thought we were not going to make it. In the past, there have been people that promised to celebrate them but never showed up.

We arrived 30 minutes early so we could decorate the classroom and organize gifts by grade levels. One of the community leaders led us in prayer and the two school teachers welcomed our ministry volunteers. We then shared a message about God's love for children. One of our main goals for this outreach was to remind kids of their worth and God's love for them. We strongly believe each child left feeling loved, encouraged, and inspired to dream big.

This sweet boy is mute but he was expressing all his gratitude & happiness with smiles and dance moves.

La Cuesta's fútbol field located right by the school
